

## Registering on GAA Website

Click on the link <https://returntoplay.gaa.ie>

or type Return to Play GAA into Google

This will bring you to following page.

Use the username you created for last year's Return to Play

Once logged in then click on Membership on the menu

If you have just registered, you will see personal details. Scroll down until you find section asking you to add a club.

Click beside Association and select GAA if registering a non-playing member or a boy playing football. If wishing to register to play Ladies Football or Camogie, select LFGA or CAMOGIE from the list. You will need to add more than one Mayobridge Club if wishing to register for a certain team.

Now click on Family in Menu and then add family members that you wish to register.

## Click on Membership on Left Hand Side

Select JUVENILE FAMILY DOWN DRAW if you have purchased a Down Draw ticket from the club. You will not be expected to pay online if you select this option, as your draw registration will be checked by the club. Make sure you select the option with payment £ in Club.

Otherwise, select Juvenile Playing Membership. This will allow you to pay the £50 online with Debit Card.

## The following page should appear

Once you have selected your preferred option, then follow the instructions to add members. If you want to register your daughter for camogie or gaelic football you will need to select membership and then repeat the process for the respective team.

Ladies Football selected in membership column and then select Juvenile Player option which suits you. Remember, if you have bought a DOWN DRAW ticket this will cover your daughter's membership.

To add your son or daughter to a team, click on TEAMS in menu

Select ALL TEAMS; scroll down to your team and click on VIEW TEAM. There will be an option to ADD PLAYER. System will then

**identify an player within suitable age range that can be selected to play for the team. Click on the box beside name and then ADD.**
